### Schlingerland / dynamische Schwingungen

© by Gerhard Paul Deker

Sven-Åke Johansson (Mariestad, Sweden, 1943) works as a composer, drummer, accordionist, poet, and visual artist. Longtime collaborator of the free improv scene in the German sixties with ao Kowald, Brötzmann, Schlippenbach. He contributed to numerous exhibitions, publications and recordings.

Sven-Åke Johansson's 1972 record Schlingerland presents just the man and his drum set, exploring the polyrhythmic possibilities of his kit. Schlingerland fills a gap in the documentation of '70s European improvisation. At the same time, it retains a surprisingly contemporary sound which reverberates in the ear, mind, and heart of the 21st century listener. (*All About Jazz*)
